Lizard Love

As most of you know, I have 3 lizards, but what most of you don't know is the emotional attachment I have to them. My lizards make me very happy. Don't make fun of my lizards or they'll beat you up.

5 MOST IMPORTANT RUNNING TIPS

1. Stay Hydrated.

So that you get headaches, over heated, over worked, or pass out.

2. Pace Yourself

You don't want to go out too fast or too slow. You want to be able to sustain a steady pace.

3. Wear the Right Shoes

So that you don't hurt your feet.

4. Warm-Up First

So that you don't pull any thing.

5. Don't try to look nice Because honey that's not going to

happen. If you still look nice after a

run, your doing it wrong.

A Quick Review of New Member Weekend 2014:

NMW was so amazing! There were so many opportunities to bond with girls in your chapter and make council/ regional friends. The dance was so fun and all the themes were super creative! NMW taught us so much about Stand- UP causes, globalization, and other major parts of "growing our movement." The theme was the Circle of Life/ Lion King, and the theme was so much fun to incorporate into Friday night services. Overall, it was an amazing and unforgettable weekend!!
